

Our Mission

To deliver efficient, effective, and fair investigative and forensic services that support law enforcement, protect national security, and ensure access to justice for all.

Our Vision

A just, peaceful, and secure society where every Filipino feels protected by a trustworthy justice system.

Core Values

- Integrity
- Accountability
- Excellence
- Courage
- Confidentiality
- Service to the People

These values guide our actions as we work for justice and truth.

What We Do

Key divisions supporting national protection:

Investigative Services

Criminal cases, organized crime, terrorism, human trafficking

Cybercrime Division

Online crimes, digital forensics, cyber fraud

Forensic & Scientific Division

Fingerprints, DNA testing, autopsy, crime scene processing

Intelligence Service

Anti-terrorism, national security threats

Legal & Complaint Handling

Legal assistance, case filing, citizen protection

Records & Clearance Division

Fingerprint database and NBI Clearance issuance

History Timeline

A legacy of justice since 1936

1936

NBI founded under Commonwealth Act No. 181

1947

Reorganization into a stronger investigative bureau

1972

Expansion of authority on major crimes nationwide

2001

Prepared for digital age: cybercrime operations enhanced

2016

NBI Modernization Act strengthens technology and systems

2020-Present

Shift to online digital services including NBI Clearance and digital crime reporting

Leadership

The Bureau is led by:

Director

Responsible for overall direction and leadership of the NBI

Deputy Directors

Overseeing operations, services, intelligence, and administration

Division Chiefs

Leaders of specialized investigative and forensic units

(Official names based on latest appointments)

Public Services

What citizens can access:

- NBI Clearance Online
- Crime Reporting & Legal Assistance
- Request for Case Status or Certificates
- Forensic and Laboratory Services
- Victim Support and HelpDesk

Technology & Modernization

We continuously enhance our systems:

Automated Biometric Identification

Digital Forensic Laboratories

AI-based Cyber Threat Analysis

- Modernized facilities for forensic accuracy
- Online service platforms to serve the public faster

Commitment to the Filipino People

We pledge to protect life, rights, and democracy.

Every case we solve
is a step toward justice

Every criminal we stop
is a step toward safety

Every citizen we help
is a step toward a safer nation

Together, we defend justice.

Be informed. Stay secure. Help protect our nation.
